

PEACE AND SOCIAL JUSTICE STUDIES CERTIFICATE OPTION COURSES

To earn a Peace and Social Justice Studies Certificate, the student must pass at least at least six courses like these listed below. Within one of those courses, the student needs to do a Special Project. This project should be identified by the student in consultation with the Peace Studies Coordinator. It can simply be one assignment from any Peace Studies course taken by the student, usually in their final semester.

This is a list of current courses teachers have identified as dealing with issues appropriate to the Peace Studies Certificate. Courses may be added to the list. If you have questions about a course not included that you feel should be, communicate with the coordinator at psjs@johnabbott.qc.ca or at local 5180.
