

# Academic Dean Update: College Life in the Time of COVID

## Preparing faculty

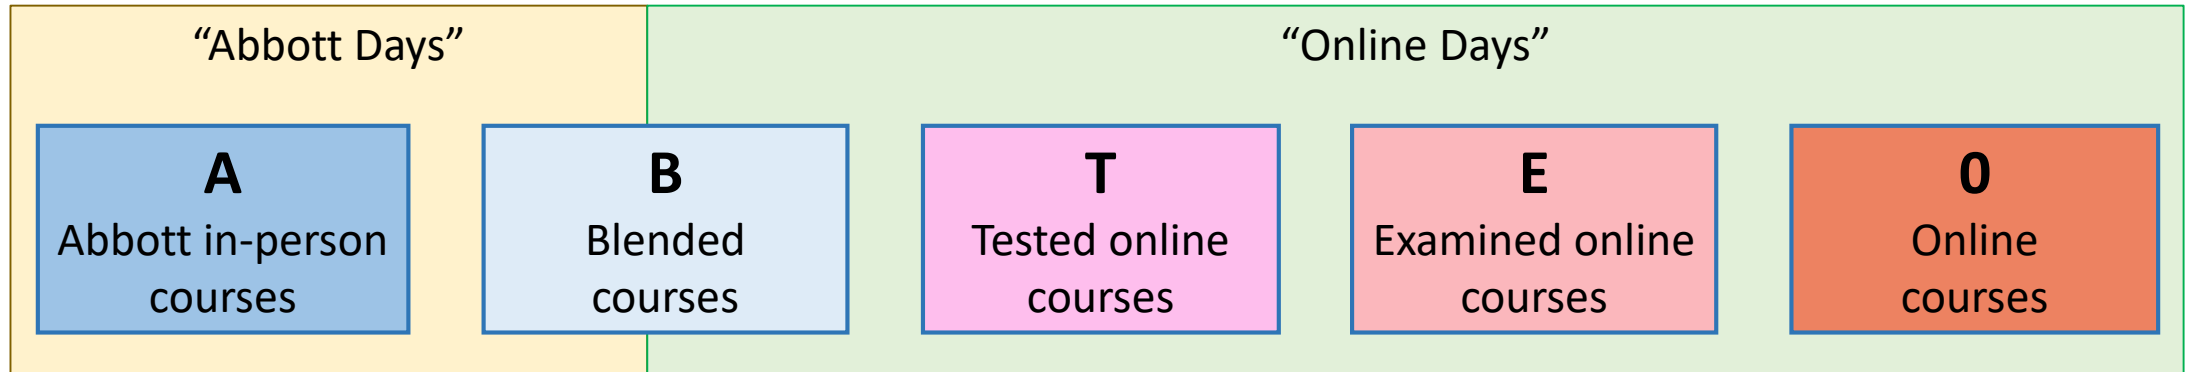

- Faculty Online Support Team (FOST)
- Faculty Online Resource People (FORP)

## Supporting students

- Access to equipment/Internet
- “One-stop shop”
- Wellness Days
- “Live” synchronous classes (40% minimum if online)
- Stability in approach

# Stability in Approach

- Continuum from 100% in-person (if required for practical work) to 100% online
- In-person testing spread over 12 weeks + final exams (fewer)
- Explained for each course when registering (in Schedule of Classes)
- Registration timing as usual (June if returning, August if new)
- Academic Calendar – flexibility over 15 weeks

# Beyond COVID

What will students, faculty, universities, employers expect?

- Flexibility
- Technical skills
- Collaboration skills, whether online or in-person

Upcoming revisions (Fall 2022 and beyond)

- Professional Theatre (Production)
- Social Science
- Science, Arts and Science
- Eventually others...
