

Q: Will there be “Student for a Day” opportunities?

Q: Will there be “Student for a Day” opportunities?

A: Given that the majority of students are learning remotely and the limitation of students we are allowed to have on campus at one time, we are not able to offer this program for Fall or Winter 2021.

Q: When would a student apply to Pathways to Police Tech vs. the actual program?

Q: When would a student apply to Pathways to Police Tech vs. the actual program?

A: Students applying directly from High School **MUST** apply to Pathways when they do not have their probationary driver's license by the application deadline of **March 1**.

Only students with their probationary license should apply directly to Police Technology.

Q: Do students have a chance of acceptance to Pathways for Science if they are missing all necessary prerequisites (Math TS or SN 5, Math and Science from Sec IV and V)?

Q: Do students have a chance of acceptance to Pathways for Science if they are missing all necessary prerequisites?

A: No. We will admit Pathways to Science students who are missing only one or two prerequisites due to current high demand in the program.

Q: What about students who have completed Adult Education?

Q: What about students who have completed Adult Education?

A: Students coming from Adult Education will be evaluated the same way as high school students. To be admissible, they must have competitive overall academics and prerequisites.

Q: What resources are available to
Indigenous students?

Q: What resources are available to Indigenous students?

A: At JAC, we have an Indigenous Student Resource Centre. Full information can be found under “Services to Students” on the John Abbott website.

Q: What level of French is required to be admitted to college in the various programs?

Q: What level of French is required to be admitted to college in the various programs?

A: At the time of application, students must be passing Sec V French to be admissible to CEGEP.

Students not passing will have their applications refused as they are at risk of not obtaining their high school diploma.
